

AX900™ Axle Load Scales

RFX® Wireless or Cabled, Highly Durable Weighbridges

The Axle Weighing Specialist

Industry's Lowest Profile at Just 3.6" Allows for Easy Approach & Accurate Weighing

AX900™ Scales are used by law enforcement agencies throughout North America as well as trucking companies, militaries, scrap yards, waste transfer stations and other transport businesses for quick, effective and dependable gathering of weight data. The rugged, modular design makes them ideal for locations where large permanent scale installations are not feasible.

Integrated radios enable wireless communication to a variety of devices, while digital output allows for cable backup. For customers whose local regulations prevent the use of wireless radio communication, radios can be disabled or you can select from hard wired alternatives.

AX900™ Axle Load Scales

RFX® Wireless Scales:

Cable-Free Digital Scales for Efficiency & Safety

Systems are available in wireless or wired. Calibration is stored at the scale as opposed to the indicator providing users with total interchangeability of all decks, cables, components and indicators. All models communicate with a wide variety of indicators and software to fit your requirements for data gathering.

- 60,000 lb (30,000 kg) to 180,000 lb (90,000 kg) Platform Capacities
- Ultra-Low 3.6" Profile Scale Pad
- Modular Deck Configurations Sized for Single, Double, Triple, Quad & Spread Axles
- Fully-Electronic, Stainless Steel, Hermetically-Sealed Load Cells are NTEP Certified to 5,000 Divisions
- Wireless Output for Quick Set-Up & Eliminates Hassles of Cabling Decks to Indicators
- NTEP Class III Certified for Law Enforcement in Wireless & Wired Configurations
- Trailers with Flatbeds, Rollers & Overhead Storage Available

PT20™ Weighing CPU

Provides the ability to process weight-related data and is self-enclosed with a thermal printer in a rugged, all-weather case for use in even the most remote locations. Collect and totalize axle weight, gross weight, vehicle ID & class for reporting and data collection.

Optional Trailer for Easy Transportation to Enforcement Site
